THE LAVENDER GARDEN

Welcome to The Lavender Garden, a traditional nursery, set in a Victorian Kitchen Garden.

We specialise in Lavender and Buddleja, also other Butterfly and Bee attracting plants.

We have landscaped the gardens particularly to attract Wildlife, planting collections so that they can be seen in a more established environment.

In our terracotta pot display, you can see a large collection of Lavenders in bloom, with a vast array of scents and colours.

Around the walled garden is a large collection of Buddlejas, which when in full bloom have attracted over 28 species of Butterfly to date.

Our nursery is a Wildlife friendly environment we do not spray any chemical pesticides/insecticides.

We hope that you enjoy your visit to the nursery. If you would like any help or advice please feel free to ask.
